Correspondence and Items of Information (continued):

2. Email dated December 28, 2004 from Alan Cherubin, ABC Wastewater Treatment Division Director, to the Board regarding how he can help Georgia operators.

The Board informed Mr. Cherubin that they are satisfied with the services that ABC provides them with and that they are interested in the on-line exams as they are developed.

3. Letter dated January 4, 2005, from Richard Stauffer to the Board regarding water class 1 exam questions.

Mr. Lindsey wrote a response to Mr. Stauffer referring him to the Board website for Exam Need-to-Know Criteria to assist him in passing the exam.

4. Letter dated January 5, 2005, from Vinson Scott Barnes requesting the Board to verify if the number of hours per week he was documenting for cross-training would meet the 3 month on-the-job work experience for a Water Class 3 Operator.

The Board determined, based on the information submitted for Board review, that the number of hours per week Mr. Barnes was documenting for cross-training **would qualify** for the 3 month on-the-job work experience for a Water Class 3 Operator.

5. Email dated January 6, 2005, from Glenn Fountain inquiring if the Board would make an allowance for his employee Charlie Jackson to reinstate his Wastewater Class 3 Operator Certificate without penalties due to active military duty.

The Board **approved** Charlie Jackson to Reinstate his Wastewater Class 3 Operator Certificate, WW3-014570, expired June 30, 2003, with a Renewal Application, proof of 6 Continuing Education points, and a \$65.00 fee due to active military duty during the renewal period.

Board Rules:

The Board discussed revisions to its rule chapters 750-6-.02(3), 750-6-.03(2)(i), and 750-6-.04(1). The Board will discuss further changes at its March 17, 2005, Board Meeting.

Renewal Process:

1. The Board Staff will be mailing a Renewal Postcard which will provide a licensee with instructions on how to renew on-line. Renewing on-line will provide the licensee with their renewed certificate within days of renewing on-line versus it taking weeks with a renewal application; a phone number will also be provided for a Renewal Application to be mailed to a licensee.
2. The Board will perform a 10% audit for June 30, 2005 renewal period.
3. The Board was informed that if there is a 2005 newsletter it will only be available on the Board website.
